Join us at this focus group exclusively for Approved General Importers.

Why now?

Following the *Barriers to Business* report commissioned by the Government of Jersey and undertaken by Jersey Business in 2023, we are delighted to launch a joint initiative with Jersey Customs and Immigration Service. This project is dedicated to addressing the customs process issues local businesses face, as identified during the consultation.

What is it?

Enhancing Customs Efficiency for Importers: As part of our ongoing initiative to refine customs processes, we are holding an exclusive focus group for **Approved General Importers**. This is a direct response to the challenges highlighted in the *Barriers to*

Book here

Business report and a step towards simplifying the importation framework.

Who is it for?

Designed for Decision-Makers: This focus group is specifically for operational staff and authorised signatories of businesses recognised as **Approved General Importers**. Your role in the import process makes your feedback invaluable.

Why should I attend?

Shape the Future of Imports: Your participation is a chance to voice the unique challenges you face in the import process and to help us identify opportunities for improvement. Your insights will contribute to creating a more streamlined and efficient customs experience.

If you are unsure which focus group your business should register for then please contact JCIS on rgc@gov.je
